At McGowan Rice, Inc., quality is our specialty. We are committed to the superior construction of food processing facilities, packaging facilities, potato and produce storage buildings, across the US and Canada. With a combined total of 30 years of experience in agriculture and agri-business, you can trust our building.

We are a full service firm, overseeing all steps in the building process from initial design to final construction. Contact us to discuss your next and best agriculture/agri-business construction project.
